PROFESSIONAL SUMMARY

Computer Science student pursuing an Integrated MSc in Computer Science with a strong interest in Cybersecurity and Security Operations Center (SOC) analysis. Developing hands-on knowledge of network security, Linux, Windows, network traffic analysis, and security fundamentals. Familiar with Wireshark, Tcpdump, Nmap, and cybersecurity lab environments. Interested in threat detection, log analysis, vulnerability assessment, and incident response. Continuously improving practical skills through hands-on labs and structured cybersecurity learning.

EDUCATION

Integrated MSc in Computer Science *2022 – 2027*

Central University of Rajasthan, Kishangarh, Rajasthan, India

Relevant Coursework: Computer Networks, Operating Systems, Database Management Systems, Data Structures and Algorithms, Computer Security.

CORE SKILLS

Security Tools :	Wireshark, Tcpdump, Nmap, Kali Linux
Security Concepts :	Threat Detection, Vulnerability Assessment, Incident Response Fundamentals, Phishing Analysis
Networking :	TCP/IP, DNS, DHCP, ARP, HTTP/HTTPS, OSI Model, IP Addressing, Subnetting, Network Protocols
Operating Systems :	Linux, Windows, SSH, File Permissions, Linux Command Line
Scripting :	Python, Bash, Basic PowerShell

PROJECTS / LABS

Network Traffic Analysis using Wireshark *2026*

- Captured and analyzed network packets to understand communication between devices and network protocols.
- Applied display filters to investigate DNS, TCP, HTTP, and other network traffic.
- Examined packet headers, source and destination IP addresses, ports, and TCP communication patterns.

Linux Security Lab – OverTheWire Bandit *2026*

- Practiced Linux commands, directory navigation, file handling, permissions, and SSH authentication.
- Solved command-line challenges to improve Linux fundamentals and problem-solving skills.

CERTIFICATIONS

- Google Foundations of Cybersecurity – Completed [**View Certificate**]
- TryHackMe Pre Security Learning Path – Completed [**View Certificate**]
- Introduction to Cybersecurity – Completed [**View Certificate**]
